A quick note from the POTENTATE

September is upon us and the hot days of summer are coming to a close. There never seems to be enough time to finish all the projects we wish to complete. The camera project is 2 cameras away from being finished. We still need a little help on the Changing Tables for the restroom and the Ladies project needs more assistance. If you wish to help on any of these projects, contact one of your Divan members and volunteer.

We also have several screening clinics coming up. Don't forget that the Shriners Hospital for Children is our Philanthropy. Please join us and support our Clinic workers, the doctors and the children we are screening.

The clinic schedule for the remainder of the year is

September 17 – Fresno

October 15 – Tulare

November 19 – Porterville

If anyone cares to help at these clinics call the shrine office for the times and location.

We look forward to seeing all of you at several of the next events.

RECORDERS CORNER

Summer is over and time to get back in the routine of Shrine.

Mike Nella and his crew did a successful fund raiser with the Cowboy Dinner. This was one of the temple fund raisers for the year. It was very nice and enjoyed by those who attended.

It was unfortunate that more of the nobles and ladies were unable to attend. I know it was a busy week, an out of town dinner for one group and the monthly meeting for another and everyone has to pick and choose what they wish to attend.

It is hard to keep the temple going when our main fund raiser for the year is not well attended by all by those that were available but choose not to attend and support the temple.

Remember it is **YOUR TEMPLE** that **NEEDS THE SUPPORT**

Ladies Corner

Ladies of Tehran

End of summer. Whew. Lots of exciting trips and events have taken place. June had Western Shrine Association (WSA) in San Mateo which was a lot of fun. We had several of the Imperial Officers and their ladies attend. It is a good time to get to know them on an informal basis and get the “skinny” on what is happening in Shrine throughout the nation. Aahmes did a great organizational job putting it on. Imperial Session in Denver is another event that you meet Shriners from around the nation. Because it was in Denver this year and centralized in the USA I believe more nobles and their ladies attended. The one event that stands out in my mind was the Imperial Shrine Parade. The local temple is very active and it was amazing to see the different kind of vehicles they drove. Also I have never seen so many young nobles in a parade before. There were a lot of 21+ aged men. That is a good sign for growth in the brotherhood.

I truly want to thank all the ladies of Tehran for the wonderful 1st Lady's Luncheon you gave me. It has been a great honor to be your 1st Lady this year. I have strived to represent you with grace and dignity. Also I wish to thank you for the gift of the brooches and bracelet. They give me great joy as I wear them and think of each one of you. From my heart to you, thank you.

Lady Marty Jauss

Shriners International

**Shriners Hospitals
for Children®**

Dear Noble,

The 140th Anniversary of Shriners International is quickly approaching in 2012, and we are making preparations to showcase the rich history of our cherished fraternity. We need your help, not only to make this upcoming anniversary celebration a success, but also to preserve the history of our organization.

Shriners International is in search of historic Shriner photographs to help promote our anniversary year. We encourage you to explore your temple's archives, storage room or even the attic of your home to see what treasures you might discover. Our greatest need is for photos from 1872 – 1962.

We prefer that you send your photographs electronically to aflenghi@shrinenet.org. If you have a large number of photos, please be sure to email them in a compressed folder. If you choose to physically mail your photos, send them to...

Shriners International Headquarters, Attention: Amanda Flenghi, 2900 Rocky Point Drive, Tampa, FL 33607. Please note that we will not be able to return physical photos to you. By emailing or sending us photographs, you acknowledge that you or your temple are the owner and that you consent to the reproduction or use of the images by Shriners International Headquarters.

We thank you in advance for sharing your historic photographs with us. We appreciate your interest in preserving memories and helping us tell the story of Shriners International.

Yours in faith,
